

ARROWHEAD ARTS PRESENTS

FALL MUSIC FESTIVAL

The Arrowhead Arts Orchestra will return to Lake Arrowhead with great orchestral music. Tomasz Golka, the director of the orchestra, has programmed Tchaikovsky's "Romeo and Juliet", Elmer Bernstein's "The Magnificent Seven", Leonard Bernstein's "West Side story" as well as several other compositions. Maestro Golka has also engaged an accomplished virtuoso violinist, YuEun Kim, to play Saint-Saens's Havanaise and Ravel's Tzigane.

AAA has been fostering the study of strings for over 22 years and many of our students have just returned from their 4th Italian Tour. The Mountaintop Strings will open the program with selections from their very successful tour.

Admission is Free – Please register
